

## **EPFC July and August Report**

During August the coaches decided to see how the kids at Elias Park were able to use what they had learnt throughout the year so far in attacking and defending.

Both the Rovers and especially the Rangers were able to demonstrate that they had a good understanding of both of these areas of the game, not just 1 v 1, but also 2 v 2 and 3 v 3.

Again the coaches got together and decided upon the players who deserved most improved player and player of the month of July.

### **Rovers**

*Most Improved Player of the Month – Nabilah*
