

### **3<sup>rd</sup> Little League Schools Championship May 2008 @ OFS**

With the sun shining down on OFS on Saturday it was the perfect environment for the 3<sup>rd</sup> Little League Schools Championships. All the team players were raring to go doing their warm-ups on the field before the first whistle.

We started the day off with a Round-Robin where every team got to play each other twice. This was where we first got to see the players of each team become patriotic towards their own school name, and the parents playing the part of cheerleaders on the sidelines.

After the round-robin the teams to playing the finals were decided. From the Grade 1 & 2 category, the OFS Dragons played the CIS Tigers and at the final whistle was a stalemate of a 0-0 draw. After penalties the CIS Tigers triumphed with a 3-1 score. Also in the grade 3-5 category we had the wonderful opportunity to experience a school derby, with OFS City playing OFS Wonderers. This game was a fight to the end where OFS City managed to gain victory in the last minute with a 1-0 score.

But it is not necessarily the winners of the finals that get the coveted prize of the Little League Schools Championship Winner as we have seen in the past. However this year the hosts OFS took the glory by less than an average point.

Congratulations to all the participants and all the winners in the Little League Championships May 2008. The day was a great success and we look forward to next terms competitions.
